

Life is Life

Life is you — Live it and don't let it live you.

Life is happiness — Smile and be happy even if you have to stumble upon it.

Life is a never ending struggle — Face it head on.

Life is disappointments — Reset your goals.

Life is knowledge — Learn all you can, but your process will never end.

Life is a piece of china — Handle it with care.

Life is uncertainty — Have hope and faith. They will comfort you on your journey.

Life is suffering — Develop peace of mind. Don't give up, you will become richer.

Life is wisdom — Have the sense to know how little you know.

Life is a debt — Pay your account with compassion and empathy toward others.

Life is a menu at a banquet — Choose wisely.

Life is loneliness — Find a loving companion.

Life is love — Don't starve yourself. Love is the only gift that you will never have enough of.

Life is a drought — Have a warehouse full of resolve.

Life is a woman without makeup — Admire her natural beauty.

Life is hard work — Labor like you're a young mule.

Life is a book of poems — Read them with your heart.

Life is a risk — Participate without hesitation.

Life is dreams — Pick a reasonable one and then act on it.

Life is time-travel — Get aboard today, not tomorrow.

Life is a bed of roses covered with weeds — Remove the weeds and smell the roses.

Life is full of splinters and tacks — Don't sit down too long.

Life grabs and shakes you — Steady yourself and don't fall apart.

Life is complicated — Make it simple.

Life is compassionate and empathy — Be humble and pass it on.

Life is a prison with no escape — Don't waste time trying to find a way out.

Life is self-discipline — Practice control.

Life is a road less-traveled — Don't be afraid to journey into the unknown.

Life is a friend — Accept a friend even if you didn't choose that person.

Life is sweet and sour — Consume both at once.

Life is heaven and hell — The choice lies in your mind and heart.

Life is miracles — Show grace when you receive yours.

continued

Life is a stage— Give a worthy performance to yourself, as well as to other.
Life is choices — Make them wisely.
Life is a sunset — Marvel and enjoy it.
Life is a mother's milk — Nourish from her.
Life is questions — Try to solve as many as possible.
Life is a fierce river filled with obstacles — Take your lumps and flow with the current.
Life is sun rays filtering through the clouds — Provide the water droplets to make a rainbow.
Life is the present - Live in it.
Life is your soul— Find your spirit.
Life is problems— Learn from them and become better for them.
Life is a beginning and ending— And in-between in where your life moves.
Life is troubled waters — Build a tall bridge and remember where you crossed.
Life is expectations —You move from want-to-want, not from satisfaction-to-satisfaction.
Life is the seasons —A time to listen, speak, search, and listen and give thanks to the known.
Life is natural disasters — Remember it didn't come from the hands of God.
Life saps one's strength — Just don't let it take your *will*.
Life is someone's story —Others have their stories to be told.
Life is forgiveness —It will free your mind.
Life is the universe —You're connected to everything.
Life is fate — Accept your designed destiny as it will be.
Life is not knowing — Sometimes it is better to know the question than the answer.
Life is knowing what I know —Knowing that I am nothing. But with love and wisdom I am everything,
and in-between is where my life moves.
Life is infirmity — Prepare for physical pain.
Life is a fair —it is people and circumstances that can be challenges.
Life is spiritual —Nourish your inner soul.
Life is Amazing Grace — It comes to you without asking- because you are loved.
Life is Him — Ask for His blessings.
Life is death — Accept that life must end so others may have a beginning.

If life doesn't let you be what you thought you could be - Be the best at what life will let you be. Your life is no mistake. You are a child of the universe, no more or less. You have a destiny. Find it and live life without losing it. ●
